Allow me to introduce myself and my campaign. My name is Rudy Fleminger, and I live in downtown Grand Rapids. I'm a graduate of Kendall College of Art and Design in Grand Rapids, in the Visual Communications department, and I am looking for work in the general Grand Rapids/West Michigan area, in the field of web, print, or graphic design.

If you are in the market for a designer, or you think that an extra person to bolster your team might be useful, give me a call! I might be your perfect candidate! With my solid knowledge of the technology, both print and web, my creativity, eye for good design, and my attention to detail and perfection, I would make an excellent addition to any business.
